Assumptions

- This is a standard transaction and no unforeseen matters arise including for example (but not limited to) a defect in title which requires remedying prior to completion or the preparation of additional documents ancillary to the main transaction.
- The mortgage is with a high street lender and we are not required to negotiate or advise on finance terms.
- If the property is leasehold, this is the assignment of an existing lease and is not the grant of a new lease.
- The transaction is concluded in a timely manner and no unforeseen complications arise.
- All parties to the transaction are co-operative and there is no unreasonable delay from third parties providing documents.
- No indemnity policies are required. Additional disbursements may apply if indemnity policies are required.

Matters likely to affect the cost

- Value of the property
- Urgency of instruction
- Requirement for a lock out or exclusivity agreement
- Off plan, newly built
- Listed buildings requiring planning review and advice
- Refurbished properties that may require planning and construction review and advice
- Company involvement (additional searches at Companies House/company resolutions)
